

Greetings,

Power of Self- Education (POSE) Inc. is excited to announce our **6th Annual Black History Month Celebration!** Our theme for black history month this year is “Body, Mind, Soul”, and we are focusing on holistic health & wellness within the black community. This celebration looks to the past and present accomplishments of people of African American/ Black heritage. POSE aims to bring together people of all demographics and social identities, in unity to celebrate this important aspect of American History. On February 26th, 2022 from 3-5 PM, we invite you to come (virtually) witness an early evening of art, music, culture, spoken word, poetry, dance, literature and narratives that showcase the triumph and excellence that is black history.

About the event: This interdisciplinary, interracial/multiracial event denotes resilience, love, sacrifice, commitment, faith, identity, intersectionality and the spirit of the human heart.

Participate: At this time POSE is seeking candidates and partner entities who are willing to participate in the programming for this celebration.

Sponsor: Not ready to jump on the (virtual) stage? That’s OK, we still need you. POSE is seeking sponsorship to provide stipends to our participants. If you are interested in sponsoring a speaker (or two) we are seeking \$100 sponsorships that provide scholarship for one courageous presenter to step into this bold and brave space.

If you are interested in **participating, partnering or sponsoring** this year’s celebration please contact Kat at kateverett@poseinc.org

We hope you will join us in our 6th Annual Black History Month Celebration! You can register now at: <https://forms.gle/oLmjcpa2HafKZZmK9> to attend, or join us streaming from the POSE Facebook page at: <https://www.facebook.com/POSEInc.org>

Thank you for your time.

Sincerely,

Katrina Hobbs Everett
