6:30

Where??? Haverhill High  
School auditorium

## Grinch

Lucy was only 5 years old. On Christmas Day, she couldn't sleep at all. So she decided to see if she could catch Santa Claus. When she carefully walked down the stairs from the 2nd floor to the 1st floor. A tall man that was green and hairy, his heart was 10x too small, was stealing her presents! She was terrified, but then the tall man took off his head? It was her brother, Gregory. He had decided to play a prank on her, knowing she would come downstairs to find Santa.

## Icicle

It grew very cold, bitterly cold. It had been snowing just the day before. An single icicle had formed from Hannah's roof. Hannah's father noticed the icicle and removed it for their safety. In case it fell from the roof. But everyday, it would just grow back. Hannah would notice it vanishing everytime she came back from school. But then reappeared in the morning. It kept happening til March, she still doesn't understand why it kept regrowing.

# Weekly Song Recommendation

*Looking at me through your window  
Boy, you had your eye out for a little  
"I'll cut you up and make you dinner  
You've reached the end, you are the winner"  
Rolling down your tinted window  
Driving next to me real slow, he said  
"Let me take you for a joyride  
I've got some candy for you inside"*

**Tag, you're it - Melanie Martinez**

Made by: Kristen Capellan

# JOKES

How do sheep say Merry Christmas to each other? Fleece Navidad.

What is every parent's favorite Christmas song? Silent Night!

Why did Rudolph have to attend summer school? Because he went down in history.

Elves use what kind of money? Jingle bills.

What do they sing at a snowman's birthday party? Freeze a jolly good fellow!

What do you get when you cross a snowman with a vampire? Frostbite.
